8 April 2011	CEDIA Region 1 Awards UK awards.cedia.co.uk	
13 April 2011	BACnet Forum - Increasing the Value of Properties with BACnet London, UK www.bacnetforum.org	
26-28 April 2011	PALME & Install Middle East Dubai International Exhibition Centre, Dubai, UAE www.palme-middleeast.com	
	INSTALL Middle East is the region's only trade event dedicated for professional AV, systems integration, smart home technologies, lighting solutions, digital signage, audio-video installations and rental services. Presenting an ideal mix of residential and commercial applications, equipment, technologies and services for a growing market, worth \$4 billion annually with a projected rise to \$6 billion within the GCC over the next five years, INSTALL offers exceptional opportunities for new businesses as well as established market leaders to tap on growing markets. Keeping in view the overwhelming response from the visitors and the need to address different sectors within its profile more closely, Install Middle East is now divided into INSTALL HOME and INSTALL COMMERCIAL areas to feature at the 2011 edition of PALME Middle East:	
11-13 May 2011	CEDIA Asia Pacific 2011 Sydney Convention & Exhibition Centre, Sydney, Australia www.cediaexpo.com.au/	
19 May 2011	NECEIC Live Epsom Downs Racecourse, Surrey www.niceiclive.com	
19-22 May 2011	High End 2011 M.O.C., Munich, Germany www.highendsociety.de	
26-29 May 2011	PALM & Install China China International Exhibition Centre, Beijing, China www.install-online.com/china	
	INSTALL China 2011 is a focused event for installers, specifiers and architects to meet manufacturers and suppliers of commercial installation and integration technologies. It is a unique platform for regional industry decision-makers involved in the construction and building of Asia's major projects and initiatives to meet major international manufacturers and suppliers in this sector and view all these latest technologies. Bringing together 1,200 exhibitors from 35 countries, spanning over 85,000 sqm of floor space, INSTALL China provides the ideal platform for key industry players to establish contact with China's massive entertainment technology market.	
6-8 June 2011	BICSI European Conference & Exhibition Edinburgh International Conference Centre, Edinburgh, Scotland www.bicsi.org/european
